

Dedicated to serving you during these difficult times

Dear Valued Dixon Foods McDonald's Customer,

The health and safety of our communities is our top priority right now. With that, we have closed the lobbies in all of our restaurants across Eastern North Carolina.

We are committed to serving you where you need us – whether that's through our drive-thru, mobile app orders and even delivery where it's available. We want you to feel confident in knowing that our team continues to remain vigilant and focused when it comes to food safety and sanitation.

We want to thank you for working with us, and supporting our Dixon Foods McFamily during this difficult time. We've been privileged to serve you over the years – and we will continue to do so.

Thank you for your loyalty and understanding, and we look forward to serving you soon.

Wade Dixon
