

McDonald's Celebrates Healthcare Workers and First Responders with Free "Thank You Meals"
Frontline heroes can enjoy free meals at local Dixon Foods McDonald's restaurants

Greenville, NC: April 21, 2020 – In appreciation for the healthcare workers, police officers, firefighters and paramedics who are committed to our health and safety, McDonald's will offer free Thank You Meals from Wednesday, April 22 and Tuesday, May 5 as a token of appreciation for their selfless service.

While the majority of America is staying home, McDonald's has remained open. Dixon Foods Group's hardworking restaurant employees have been tirelessly serving hot meals to communities who need quick and affordable options, especially those on the frontlines such as healthcare workers and first responders.

"We are so grateful for the ongoing dedication and commitment of McDonald's employees who have enabled us to stay open and serve our communities during these challenging times," said Wade Dixon, Owner/Operator and President of Dixon Foods Group.

Each Thank You Meal will be available at no charge to medical staff and first responders via drive thru or take out at all Dixon Foods McDonald's restaurants through May 5. The Thank You Meal, available during breakfast, lunch or dinner, will feature a choice of sandwiches, drinks, and a side along with a note of appreciation. These meals will be served in McDonald's iconic Happy Meal box, in the hopes of bringing a smile alongside delicious food.

Day or night, these frontline heroes can simply show their work badge to receive one of the below Thank You Meal options:

Breakfast

- A choice of an Egg McMuffin®, Chicken McGriddles® or a Bacon, Egg and Cheese Biscuit. All options come with any size soft drink, tea or hot coffee and a Hash Brown.

Lunch and Dinner

- A choice of a Double Cheeseburger, 6-Piece Chicken McNuggets® or a Filet-O-Fish® will be offered. All options come with any size soft drink, tea or hot coffee and small fries.

"As a local business that holds community service as a core value, we know that our communities need us now more than ever and we're committed to continuing to serve them," said Dixon. "This year Dixon Foods is celebrating 50 years in the restaurant industry, and we're so proud to be able to continue to support our neighbors on the front lines with these Thank You Meals."
